

Electronics technician (m/f/d)

Full-time

Task Area

- ▶ You will be responsible for setting up and commissioning electronic assemblies and devices
- ▶ You will take care of repairs and service processing
- ▶ You will create and optimize assembly and testing instructions

Profile

- ▶ You have completed vocational training as an electrical engineer, e.g., electronics technician for devices and systems, or comparable training
- ▶ Ideally, you will have some initial professional experience in the electronics industry
- ▶ You are characterized by your systematic, independent, and detailed approach to work
- ▶ Openness, teamwork, and communication skills are your strengths
- ▶ MS Office skills are desirable

What awaits you with us

- ▶ Of course, you will receive free fruit and drinks, but above all you can expect exciting and varied tasks.
- ▶ DH electronics was once again named a kununu Top Company in 2023, making us one of the best employers in Germany.
- ▶ With JobRad and EGYM Wellpass, we support you in achieving your fitness goals and create a sporty balance to everyday office life.
- ▶ Thanks to flexitime without core hours, you can work when you want as long as you meet deadlines.
- ▶ Your new colleagues will support you during your induction and help you settle into the Digital Heroes team.
- ▶ Innovation is our passion: that's why we have been recognized as a TOP 100 Innovator twice in a row.
- ▶ We take care of your future and offer further training opportunities, child allowance, company pension scheme, team events and more.
